KERAMICA Where Fashion Meets Home

Digital Tiles

Keramica is an innovative tile manufacturer in India ,with a flair for aesthetic designs and quality production. We aim to make your homes modern and trendy with our latest and fashionable designer tiles, something which is all and unique to Keramica.

The rapidly growing demand for style and aesthetics among our consumers is the inspiration behind the design of each individual tile from Keramica. Each and every one of our tile is made by combining the latest fashionable designs and groundbreaking technologies, in absolute compliance with the strictest standards on the sustainability of both process and product. With strong Manufacture & Supply capability across Kerala, along with excellent customer service, Keramica is the best choice for everyone who wants their homes to keep up the latest fashions and trends, making the home posh and elegant, at the same time without compromise in quality.

Keramica Set Plus Silver Adhesive

Tile Fixing Adhesive
For Internal Wall &
Floor Applications

Product Details

Grey, high polymer modified, cement-based tile adhesive, suitable for fixing tiles & natural stones & Vitrified tiles in interior and exterior situations, applications and more difficult and demanding situations consult Keramica regarding use of higher performance adhesive.

Shelf Life & Storage

Shelf life is 12 months from the date of manufacturing in unopened condition. Store in a cool & dry place.

Coverage

This will depend on the nature and lateness of the surface and the method of application, but at 3mm thickness it is approx 55-60 sq.ft. per 20 kg bag when using a thin-bed trowel. For good coverage, it is vitally important that all surfaces should be clean, smooth, plumb, level and free from defects and undulations.
